

INVEST IN THE ARTS

Business Sponsorships show support for all the LAC does. As a cornerstone of downtown, we support tourism, retail, and education in one location! Your generosity is what makes local art shows, performances and community arts education possible.

The LAC offers Sponsorship Levels to suit any budget, with the option to pay dues annually or through our high-impact "Sustaining Members" Monthly Giving Program.

BUSINESS SPONSORSHIP: \$250

LAC Business Sponsors provide annual, flexible support.

These funds help us invest in working artists, keep exhibits free and provide year-round arts programming.

Annual contributions over \$250 entitle your organization to a variety of promotional benefits.

Gifts are cumulative over 12 months.

Begin with a Business Sponsorship and become an Elite Sponsor by supporting programs you know and love - like Shakespeare in the Parks, Youth Education, Gallery Shows, or Cultural Events!
